

# EXTENSIONS OF REMARKS

IN RECOGNITION OF PAUL A. GRAF, JR.

**HON. PATRICK MEEHAN**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. MEEHAN. Mr. Speaker, I rise today to applaud Paul A. Graf, Jr. for his swift and courageous action to protect a family and their pets from an apartment fire.

Mr. Graf is a letter carrier for the United States Postal Service. On February 16, 2016 while on his route, he noticed smoke coming from an apartment. He called 9-1-1 and took immediate action to make sure that there was no one inside the apartment.

Mr. Graf's actions prevented a possibly life-threatening tragedy. The Ridley Park community he serves and the greater Philadelphia area are grateful for his vigilance and hard work on the job.

SUPPORTING THE AIRR ACT

**HON. RYAN A. COSTELLO**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. COSTELLO of Pennsylvania. Mr. Speaker, as the House continues its work on long-term reauthorization and reform of the Federal Aviation Administration and related programs, I would like to reiterate my support for commonsense provisions included in H.R. 4441, the Aviation Innovation, Reform, and Reauthorization Act of 2016, which would ensure the safety of our commercial aircraft and passengers.

Mr. Speaker, early last year I met with my constituent, Justin Madden, who is the National Secretary/Treasurer for the Aircraft Mechanics Fraternal Association (AMFA), which represents the aircraft maintenance technicians of both Southwest Airlines and Alaska Airlines. During the course of our conversation, we discussed many issues impacting the aviation industry, including safety. Justin brought to my attention that he and his colleagues are subject to background checks, as well as pre-employment and random drug tests, yet their counterparts at foreign aircraft repair stations are not required to meet the same safety precautions.

As the amount of maintenance work performed on U.S. aircraft at foreign repair stations increases, we must do more to ensure that the employees at these stations are also held to the same level of professional standards as their counterparts at U.S. repair stations.

On October 31st of last year, Russian Metrojet Flight 9268 disintegrated over the Sinai Peninsula. All 224 people on board the flight tragically died that day. On January 29, 2016, Reuters reported that a mechanic had been detained and was suspected of planting

a bomb, which he had been given by his cousin, who was a member of ISIS. Two policemen and a baggage handler were also suspected of helping the mechanic. This incident alone should give us pause as we think about the safety of American aircraft and the American flying public.

Mr. Speaker, I want to thank Transportation & Infrastructure Committee Chairman BILL SHUSTER for his commitment to safety and for working with me and Representative DAN LIPINSKI and Representative LOU BARLETTA to include Section 402 in the Aviation, Innovation, Reform, and Reauthorization Act.

This provision marks a bipartisan, commonsense step forward in ensuring that background checks and drug tests are required of employees at foreign repair stations who work on U.S. commercial aircraft, strengthening America's commitment to protecting its citizens and ensuring safe air travel.

COMMEMORATING 100 YEARS OF SERVICE TO PUBLIC SCHOOLS OF THOMAS BUILT BUSES

**HON. ALMA S. ADAMS**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Ms. ADAMS. Mr. Speaker, every school day, around 450,000 school buses transport more than 24 million children to and from schools and school-related activities, making school buses the largest mass transit program in the U.S. (National Wildlife Federation).

I rise today to recognize Perley A. Thomas and his family who have aided in the transportation system for many generations.

Thomas Built Buses started in 1916 in High Point, North Carolina and since then, the Thomas children and grandchildren have built a national reputation among the school bus business.

In 2011, Thomas Built Buses became the first, and remains the only, school bus manufacturer to achieve Zero-Waste-to-Landfill operations, demonstrating its industry leadership as a driving force in facility waste management and environmental commitment.

Today, a decade into the school bus occupation, Thomas Built Buses offers school, activity, green, childcare, specialty and commercial buses across the nation.

As the United States Congresswoman for North Carolina's 12th Congressional District, I am proud to offer my congratulations for 100 years of service and best wishes to you. Thank you for making such a positive impact in this country and for many years to come.

HONORING CHIEF DEPUTY JERRY RICE

**HON. MARK MEADOWS**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. MEADOWS. Mr. Speaker, I rise today to recognize Chief Deputy Jerry Rice of Henderson County, North Carolina. On behalf of the people of Western North Carolina, I would like to thank Chief Deputy Rice for his dedication to Henderson County, and congratulate him on his retirement after three decades of faithful service.

Chief Deputy Rice's long career in law enforcement began in 1986 with a position as a tele-communicator for the Brevard Police Department. That same year he completed Basic Law Enforcement training and subsequently worked as a patrol officer with the Brevard Police Department. In July 1987, Chief Deputy Rice began service with the Henderson County Sheriff's Office. There, he spent time in a wide range of roles, working at different points as a patrol deputy, a field training officer, a detective, and an undercover narcotics investigator. Later in his career, he held several supervisory positions in the Sheriff's Office serving as Detective Sergeant over Drug Enforcement, Detective Lieutenant supervising Property Crimes, Operations Lieutenant in CID, Chief Administrator of the Henderson County Detention Facility, and Operations Major. Over the course of his career, Chief Deputy Rice also spent six years as a member of SWAT, became a Rifle Marksman and a general and specialized firearms instructor, earned a license as a polygraph examiner, and became an airplane and rotary wing law enforcement pilot.

Throughout his time with the Henderson County Sheriff's Office, Chief Deputy Rice was known for friendship, helpfulness, and dedication to the mission of his office. He earned a reputation for his clear understanding of the issues facing Henderson County and for his reasoned voice and counsel. I am proud to honor Chief Deputy Jerry Rice for his lifelong commitment to public service and to express the gratitude of myself and the people of Western North Carolina.

IN HONOR OF POLICE CHIEF JOHN FOSTER, 35 YEARS OF LAW ENFORCEMENT

**HON. TOM McCLINTOCK**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. McCLINTOCK. Mr. Speaker, I rise today, on behalf of myself and Mr. LAMALFA, to honor the service of Police Chief John Foster, who has kept the citizens of Grass Valley, California, safe for 17 years.

As a police officer for 35 years, Chief Foster has dedicated his life to public welfare and

safety. He began his career as a police officer in Palo Alto, California. Over the course of 13 years, he was promoted to Sergeant and then Lieutenant. His demonstrated leadership resulted in the position of Police Captain in Corvallis, Oregon.

John Foster became the Chief of Grass Valley Police in July 1998. He has been a mainstay of the community ever since that time. He has been a member of the Chamber of Commerce, Benevolent and Protective Order of Elks, Rotary International, League of Cities, and Big Brothers and Big Sisters. He currently serves as a Blue and Gold Officer for the United States Naval Academy.

Chief Foster has been the standard-bearer for public safety and leadership training. He is a member of the POST Instructor Standards Council, a Pointman Leadership Institute Instructor, an Allied to Benefit Law Enforcement Consultant/Trainer, a Sierra College Administration of Justice Committee member, a Drug Free Coalition Steering Committee member, a Nevada County Law Enforcement and Fire Council and a Leadership Institute Advisory Council member.

Mr. Speaker, Chief John Foster has dedicated his life to the protection of his fellow citizens. He is an example of leadership for us all.

RECOGNIZING THE IMPORTANT  
WORK OF NURSE PRACTITIONERS AND SUPPORTING INCREASED ACCESS TO HOME HEALTH

**HON. GREG WALDEN**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. WALDEN. Mr. Speaker, I rise today to recognize the many nurse practitioners (NPs) in Oregon and nationwide who work hard to provide quality health care to patients. Today, I'm meeting with Nancy Cavanaugh, a pediatric NP from Central Point, Oregon. Nancy practices at La Clinica's school-based health centers, including at Crater High School in Central Point. NPs like Nancy are the health provider of choice for millions of Americans seeking primary care, pediatric care, disease education, and other preventative services. Along with clinical nurse specialists (CNSs), certified nurse midwives (CNMs), and physician assistants (PAs), NPs serve many patients as their main source of care, especially in rural areas where a physician isn't always readily available.

Despite this important role, these clinicians remain unable to order home health services for the Medicare patients under their care. This impediment results in an administrative and paperwork burden, creating an unnecessary step in care delivery. That is why I introduced H.R. 1342, the Home Health Care Planning Improvement Act of 2015, which would ensure that our Medicare beneficiaries get the home health care they need in a timely manner by allowing NPs, CNSs, CNMs and PAs to order home health services, if their state allows it.

By easing administrative burdens and permitting nurse practitioners like Nancy to order and certify home health services, the Home Health Care Planning Improvement Act would

help deliver needed care to patients, especially in areas where access to health care is limited. Oregon's seniors should be able to receive this important care in a timely fashion, because no one should be forced to choose between receiving health care and remaining in his or her home. Please join me in thanking Nancy and her fellow NPs for their hard work on behalf of patients.

HONORING MERLE LEWIS

**HON. TOM MARINO**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. MARINO. Mr. Speaker, I rise today in honor of my constituent Merle Lewis, recognizing the celebration of his 90th birthday on April 8th.

An upstanding resident of Pennsylvania, Merle resides in Glenburn Township with his wife Hilda. Merle and Hilda have been happily married for over 50 years.

Merle has led a successful life as a dairy farmer and is a committed advocate for the agriculture community. Merle serves as a Director of the Wyoming-Lackawanna Farm Bureau as well as a SafeMark dealer for the Pennsylvania Farm Bureau. He is the former Director of the Lackawanna County Dairy Herd Improvement Association.

Along with his many responsibilities to the Farm Bureau, Merle is a member of the Oriental Grange in Lake Winola and a past member of the Green Grove Grange in Scott Township.

I want to wish Merle a very happy 90th birthday and thank him for his service to all of the farmers in Pennsylvania.

RESTORE THE VOTE

**HON. TERRI A. SEWELL**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. SEWELL of Alabama. Mr. Speaker, I rise to acknowledge today as Restoration Tuesday and to honor the role of the brave men and women who fought in the ongoing battle to protect our most sacred constitutional right, the right to vote.

Today, 51 years ago, courageous men and women stood tall and moved forward on what would be the final march of the peaceful protest marches from Selma to Montgomery, Alabama in March of 1965. This final march only occurred after countless Americans were left beaten, bloody and bruised on "Bloody Sunday" in pursuit of their fundamental right—the right to have their voices heard and their vote counted. The Voting Rights Act of 1965 would never have been possible without their sacrifices; but still today old battles have become anew and the struggle for equal voting rights continues.

It is reprehensible that still in 2016, Americans across the nation continue to face modern day barriers to the ballot box. A number of states, including Alabama, quickly passed restrictive laws designed to suppress the vote after the Supreme Court struck down Section 4 pre-clearance and federal protection for vul-

nerable communities in 2013. The Voting Rights Act of 1965 was reauthorized nearly a decade ago and it is shameful that still today, people across the nation do not enjoy full and free access to exercise their right to vote. The time is always right to do what is right. As we continue to progress throughout this election year, it is especially critical that all Americans have fair and equal access to the ballot box. Our very democracy is built on the ability of every citizen being able to have their voices heard and vote counted.

We must learn from the lessons of the past and honor those who sacrificed for our nation's progress. Just recently, I introduced legislation to honor voting rights icon, Amelia Boynton Robinson, by renaming the Selma, Alabama post office in her honor. Mrs. Boynton Robinson was a voting rights hero and one of the Foot Soldiers on the front lines of the 1965 voting rights marches. She made the clear and compelling statement through her campaign motto when running for Congress as the first woman from the State of Alabama that "A Voteless People Is A Hopeless People." We cannot continue to repeat the errors of the past. Amelia Boynton Robinson, like so many others literally shed blood for the right to vote. Fifty-one years later, no one should have to face violence or shed blood for a fundamental right.

Also, just today I introduced legislation to designate several civil rights and voting rights sites in Birmingham, AL as a national park in order to commemorate their historical significance. While these pieces of legislation are important gestures, the best way to commemorate and recognize their legacy is to pass meaningful voting rights legislation that would restore key provisions of the Voting Rights Act of 1965.

Now is the time. Congress must act. The American people cannot wait any longer. On this Restoration Tuesday, we honor the men and women who stood for our fundamental right and take up the cause to continue the fight. The right to vote is worth fighting for and we must fight until the battle is won.

We must Restore the Vote.

CONGRATULATING THE ALIQUIPPA  
QUIPS FOR A PERFECT SEASON

**HON. KEITH J. ROTHFUS**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. ROTHFUS. Mr. Speaker, today I recognize the Aliquippa Quips boys basketball team for claiming the PIAA Class AA title after an undefeated season with a perfect 30-0 record. Their extraordinary accomplishment makes the entire community proud.

It is history in the making. They're only the 13th WPIAL team to ever win a state basketball title with a perfect record, and the 33rd undefeated boys basketball state champion. This is Aliquippa's first state title since 1997, and their first undefeated state championship since 1949.

Athletics endow young people with many of the virtues and skills they will need to succeed not only on the court, but in every other endeavor. These young men are being rewarded for their hard work, dedication, athleticism, and team unity.

I wish the seniors luck in their future endeavors, and I extend my best wishes to the coaches and the team for another outstanding season next year.

TRIBUTE TO ROBERT "BOB"  
MCGLOTTEN

**HON. WM. LACY CLAY**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. CLAY. Mr. Speaker, I rise today to pay tribute to a remarkable gentleman and long-time workers' rights icon in Washington, D.C., Mr. Robert "Bob" McGlotten, who departed this world on March 12th, 2016. He was a labor rights trailblazer, champion for positive social change, beloved husband, father, and dedicated public servant. He set a standard of excellence in labor reform, social justice, and national leadership that has been equaled by few other people.

Bob was a trailblazer who made history and changed America for the better. He served the American Federation of Labor-Congress of Industrial Organizations (AFL-CIO) in many capacities including as its Legislative Director, the first African American to serve in that high position, where he championed the rights of millions of working men and women for nearly three decades. One of his key accomplishments was to increase union involvement in employment programs across the country.

His career included his exceptional service as a board member for the Congressional Black Caucus Foundation as well as his work as a special assistant to former Secretary of Labor Peter Brennan. Bob came from humble beginnings, but rose to become one of the nation's most powerful and effective union leaders. He stood shoulder-to-shoulder with my father, former Congressman Bill Clay, as they worked tirelessly to promote and protect the rights of the American worker.

I have known him since I was a child. A grand and gracious gentleman, he was a visionary. My Mom and Dad, and indeed our entire family, have wonderful memories of him. We always regarded him as a person of great integrity, a gentleman and a scholar, and a man who possessed both a warm smile and a caring heart.

My thoughts and prayers are with Bob's family, associates, and colleagues at this painful hour. He is survived by his beloved wife of 23 years, Cheryl; his dear daughters Karen, Darlene and Roben; and his cherished sisters Patricia and Teresa Sparks; along with 10 grandchildren and a host of great grandchildren, nieces, nephews, family and friends.

I too have a heavy heart, as I reflect on our many years of enduring friendship. Bob was an incredible person who touched the hearts of people throughout the country that he served so ably and so well.

May God bless him with perfect peace and eternal rest and may He bless all who mourn him with strength, faith, and renewed dedication to continue his good works.

Mr. Speaker, I urge Members of Congress to join me in honoring the memory of Bob McGlotten for his legacy of honor and his strong commitment to confront injustice and inequality wherever he found it.

IN CELEBRATION OF THE 50TH ANNIVERSARY OF BIG BROTHERS BIG SISTERS OF NEW HAMPSHIRE

**HON. FRANK C. GUINTA**

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. GUINTA. Mr. Speaker, I rise today to recognize the 50th anniversary of Big Brothers Big Sisters of New Hampshire. I am pleased to join previous volunteers, mentors, program participants and supporters of the program to recognize the commitment and hard work the "Bigs" have made in the lives of the "Littles" they have impacted in the Granite State over the past 50 years.

The belief of Big Brothers Big Sisters is very simple. They believe that every child has the ability to succeed in life, and for some it takes the extra guidance of a mentor to help them on their way to success. Their mission is more difficult as we sadly know that many children come from difficult situations, single parent households, or have challenges in learning and socializing unlike other kids their age. The "Bigs," or adult mentors, become a consistent presence in the lives of their "Littles" and help lend structure, support and confidence to these kids in their everyday lives. Many kids who have come up through Big Brothers Big Sisters have given testimony over the years that they wouldn't be where they are today were it not for the help and support of their Big Brother or Big Sister, and I thank these men and women for taking time out of their lives to help support the children of our great state.

I am proud to join with my fellow Granite Staters in recognizing the 50th anniversary of the Big Brothers Big Sisters of New Hampshire, and wish them all the best in their future years.

CONGRATULATIONS TO RADIO  
FREE EUROPE/RADIO LIBERTY  
AND VOICE OF AMERICA

**HON. YVETTE D. CLARKE**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. CLARKE of New York. Mr. Speaker, I rise today to congratulate our civilian U.S. international media organizations, Radio Free Europe/Radio Liberty and the Voice of America, for the dramatic work they have done in jointly creating and developing their Russian language television news venture, "Current Time."

"Current Time" draws upon a uniquely informed network of reporters and commentators to provide timely and credible news. It has expanded since its debut in October 2014 from a 30-minute, daily broadcast into a brand that combines daily and weekly programs on numerous platforms to bring audiences all along Russia's borders—from the Baltic countries, through Belarus, Ukraine, and Moldova, to the Caucasus countries and on into Central Asia—the information they need.

I urge my colleagues to join me in congratulating and supporting the "Current Time" team, and Radio Free Europe/Radio Liberty

and the Voice of America. Their work makes a critical contribution to supporting the freedom of the press for Russian speakers in critical regions around the world.

THE GREAT LAKES—A NATIONAL  
TREASURE

**HON. LOUISE MCINTOSH SLAUGHTER**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. SLAUGHTER. Mr. Speaker, Teddy Roosevelt, America's original conservationist said, "We are prone to speak of the resources of this country as inexhaustible. This is not so."

This could not be more true for our nation's water: the lakes, rivers, streams, and oceans that enrich our land and people.

That's why, today, World Water Day, I would like to address the importance of protecting one of our national treasures, the Great Lakes. I have had the opportunity to represent parts of both Lake Erie and Lake Ontario during my time in Congress and serve as co-chair of the House Great Lakes Task Force. I know first-hand just how important the lakes are to my district, the region, as well as the country and planet.

The Great Lakes represent 20 percent of the world's fresh water supply and 95 percent of our nation's fresh water supply. They are a source of drinking water, jobs, and recreation for millions of Americans. They are one of our country's most precious resources.

We have an obligation to protect and rehabilitate this precious resource. From historic problems which have risen from mistakes made generations ago to new threats, like climate change, there are so many matters endangering the health of our Great Lakes. This is why programs such as the Great Lakes Restoration Initiative are so important to our region. The GLRI has funded the cleanup of toxic substances and has helped to combat the threat to our lakes from invasive species.

We are all aware of the threat Asian Carp and other invasive species pose to the Great Lakes water system. The Asian Carp have been destructive to the rivers and streams that they have invaded and we must do everything in our power to prevent them from entering the Great Lakes at all. They have no natural predators to keep their populations in check and we cannot afford to let these fish wreak havoc on the ecosystems of the Great Lakes.

I have consistently supported efforts to proactively protect our systems from dangerous invasive species and will continue to do so. I encourage my colleagues to join me. We need to make sure to hold Congress responsible for adequately funding the programs such as the GLRI and to work proactively to prevent the introduction of pollutants and species that threaten the safety and security of our water.

In fact, humans can only survive four days without water. Ensuring the safety and availability of our water is truly life or death.

These magnificent bodies of water are truly precious and we must do all that we can to protect these national treasures for future generations.

IN RECOGNITION OF ROSE RANDAZZO, THE SUNDAY DISPATCH'S 2015 PERSON OF THE YEAR

**HON. MATT CARTWRIGHT**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor Rose Randazzo, who has been named the Sunday Dispatch's Greater Pittston Person of the Year for 2015. Since 2000, the Sunday Dispatch selects a person annually who has a positive impact in the Greater Pittston Community over the course of the previous year. Rose has been a key figure to Pittston's efforts to revitalize the city's Main Street.

In 2010, Rose was named the Main Street Manager, a volunteer position to help attract new businesses and arts to downtown Pittston. The most recent major art project is the Inspirational Mural, completed by muralist Michael Pilato and located on the side of the Newrose Building. The mural is dedicated to the residents of Greater Pittston and depicts more than forty local figures who have had an impact on life in the area. In addition to Pilato's mural, downtown Pittston implemented Second Friday Art Walks in May 2013. Every second Friday during the summer months, craft and art vendors populate Pittston's Main Street. Due to the success of the art walks and other endeavors taken on by Rose, "American Craft Week" named Pittston the 8th best town for craft lovers in 2015.

Rose's agenda also includes rehabilitation of the city's aging buildings. The first building Rose helped revitalize as Main Street Manager was the building at 26 Main Street, which houses Napoli's Pizza. Completed in November 2011, it is the first and only building with Italianate architecture in Pittston. Another one of Rose's success stories is the Christopher Building. Before Rose intervened, the City of Pittston was considering demolishing this historic building. Rose purchased the building and had it renovated. Today, the Christopher Building houses one of Pittston's most successful restaurants.

It is an honor to recognize an individual who is ushering in a new renaissance for the City of Pittston. Rose truly has great vision for the historic town. I wish Rose continued success in her efforts to bring new life to Pittston.

HONORING CORTINA RANCHERIA  
CHAIRMAN CHARLIE WRIGHT

**HON. MIKE THOMPSON**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. THOMPSON of California. Mr. Speaker, I, along with Representative GARAMENDI and Representative HUFFMAN, rise to recognize and honor Chairman Charlie Wright for his great contribution to the designation of the Berryessa Snow Mountain Monument by President Barack Obama on July 10, 2015.

This outstanding accomplishment was made possible by the tireless work of countless advocates like Mr. Wright. Their commitment to engaging friends, colleagues, local residents,

businesses, stakeholders across the country, and policymakers in a coordinated effort to achieve permanent protection was critical to the establishment of the Monument.

Now, the Berryessa Snow Mountain Monument may be counted among the hundreds of pristine parks across the country that represent America's most treasured public resources. The region's unique geological formations will play host for the world's scientists for years to come. Centuries-old archeological sites will draw curious historians and researchers as they piece together the stories of generations past. And avid bikers, hikers, campers, horsemen, and sportsmen will be able to enjoy this landmark that is now forever open and accessible to outdoor enthusiasts from Northern California and beyond.

The Berryessa Snow Mountain Monument serves as proof of the value of the Antiquities Act and the power of the Executive to protect these lands in the face of inaction by Congress. After extensive input from interested parties and substantial evidence of this region's value, the Obama Administration honored the support of stakeholders, and the gravity of conservation.

The legacy of public lands is one of the most important we can leave for future generations. The Berryessa Snow Mountain Monument is a critical piece of a preservation system that stretches from the Hawaiian Islands to the Maine Coast. It has been a privilege working with Mr. Wright to further our mutual goal of preserving our nation's great open spaces, and we look forward to collaborating in the future.

H.R. 4742 PROMOTING WOMEN IN  
ENTREPRENEURSHIP ACT AND  
H.R. 4755 INSPIRING THE NEXT  
SPACE PIONEERS, INNOVATORS,  
RESEARCHERS, AND EXPLORERS  
WOMEN ACT

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise in strong support of H.R. 4742, the Promoting Women in Entrepreneurship Act and H.R. 4755, the Inspiring the Next Space Pioneers, Innovators, Researchers, and Explorers Women Act.

These two bills would support entrepreneurship programs for women and encourage young girls and women to pursue STEM degrees and careers.

Throughout my career in Congress and my time as the Ranking Member of the House Science, Space, and Technology Committee, I have been passionate about ensuring opportunities for women in STEM fields.

More women are pursuing STEM degrees and careers overall, but they are still underrepresented in many STEM fields. This is especially true in STEM fields with high entrepreneurship rates, such as engineering and computer science.

Along with STEM training, women face other barriers to entrepreneurship, including access to credit.

Due to such barriers, it is important to support entrepreneurship programs focused on women. H.R. 4742 does that by supporting

programs at the National Science Foundation that recruit and promote women who are looking to move beyond the laboratory and enter the commercial world.

I want to thank my colleague, Representative ESTY, for her work on this bill.

H.R. 4755 would support existing programs at NASA that encourage young girls and women to study STEM fields and pursue careers in aerospace. These programs include NASA GIRLS, a virtual mentoring program; Aspire to Inspire, a program connecting young girls with women with STEM careers at NASA; and a summer institute program that increases awareness and exposes middle school girls to the STEM careers at NASA.

Additionally, H.R. 4755 calls on NASA to submit a plan to Congress on how to best use their current and retired workforce to mentor female K-12 students. Utilizing our retired STEM workforce can multiply the opportunities for mentorship, but I appreciate Mrs. COMSTOCK's agreement to include current NASA employees, especially early career women at NASA. Seeing a young female scientist or engineer might be the best way to show young girls that STEM careers are possible for them.

I would like to thank my colleague, Representative COMSTOCK, for her work on this bill and for working with me to broaden the scope of the plan.

I strongly support both H.R. 4742 and H.R. 4755 and I encourage my colleagues on both sides of the aisle to do the same.

HONORING THE LIFE OF COLONEL  
FERDINAND CLARENCE "FRED"  
BIDGOOD

**HON. BARBARA COMSTOCK**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mrs. COMSTOCK. Mr. Speaker, I rise today to honor the life of my constituent, Colonel Ferdinand Clarence "Fred" Bidgood, a retired United States Army officer, a patriot, and a true leader. After his birth in 1938 in Fort Benning, Georgia, Fred went on to live in London, England where he graduated from Central High School in 1955. He matriculated into the United States Military Academy's Class of 1960 where he received a Bachelor of Science degree. Fred later earned a Master's degree in civil engineering from Texas A&M, and graduated from the Armed Forces Staff College.

Following his graduation from the United States Military Academy, Fred was commissioned as 2nd Lieutenant in the Army and served around the world in command and staff positions in both Artillery and Engineer units. Throughout his career, he served as Associate Executive Director of the Paralyzed Veterans of America in Washington, DC and Chief of Staff for the National Victory Celebration, where his duties included welcoming home troops from the Gulf War. He also served as Director on the Board of Governors of the World United Services Organization and Chairman of their Human Resources Committee, and he was a member of the Board of Advisers of National Handicapped Sports.

Fred lived much of his life in South Run Forest community in Springfield, Virginia. On Veterans Day, Flag Day, and Memorial Day, Fred

enjoyed distributing flags across his entire community to share his patriotic spirit with his neighbors in honor of our country and all those who have served it bravely with him. Fred will be remembered dearly across the South Run Forest community by all those he touched on a daily basis. He was well known by many of his neighbors for having a witty sense of humor. One of Fred's neighbors, Norman Bayne, once told me about a time when he was mowing his lawn and wearing shorts, Fred came out and shouted, "If I had legs like that I would wear pants." Fred always had a way to brighten the day of those around him.

Fred's final assignment in the military was as an Executive Assistant to the Administrator of the Veterans Administration. He passed away a decorated veteran, having earned four awards of the Legion of Merit, The Bronze Star, two awards of the Meritorious Service Medal, the Air Medal, and the Army Commendation Medal. He was preceded in death by his daughter Kerri. He is survived by his wife Marilyn of 55 years, two sons Mark and Matthew, and four grandchildren, Damon, Haley, Aidan, and Brianna. I am honored to commemorate Fred today for his life of leadership, service, and selfless contributions to our great nation. We are fortunate to have citizens like Fred who are willing to put their life at risk to serve the United States of America.

And avid bikers, hikers, campers, horsemen, and sportsmen will be able to enjoy this landmark that is now forever open and accessible to outdoor enthusiasts from Northern California and beyond.

The Berryessa Snow Mountain Monument serves as proof of the value of the Antiquities Act and the power of the Executive to protect these lands in the face of inaction by Congress. After extensive input from interested parties and substantial evidence of this region's value, the Obama Administration honored the support of stakeholders, and the gravity of conservation.

The legacy of public lands is one of the most important we can leave for future generations. The Berryessa Snow Mountain Monument is a critical piece of a preservation system that stretches from the Hawaiian Islands to the Maine Coast. It has been a privilege working with Mr. Norton to further our mutual goal of preserving our nation's great open spaces, and we look forward to collaborating in the future.

#### TRIBUTE TO STAFF SGT. LOUIS F. "LOUIE" CARDIN

##### HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. CALVERT. Mr. Speaker, I rise today to pay tribute to a hero from my congressional district, United States Marine Corps Staff Sergeant Louis F. "Louie" Cardin. Today we ask that the House of Representatives honor and remember this incredible young man who died in service to our country.

SSG Cardin was from Temecula, California, where he graduated from Chaparral High School. He was the second youngest of seven siblings, siblings whom he looked up to and followed including following one brother into military service. Staff Sergeant Cardin is remembered fondly by family and friends, who knew him for his humor and love of family and life. He is survived by his parents and siblings.

SSG Cardin was assigned to the 2nd Battalion, 6th Marine Regiment, 26th Marine Expeditionary Unit, Camp Lejeune, North Carolina. He was killed in action in Makhmur, Iraq on March 19, 2016. Staff Sergeant Cardin was 27 years old. He had an illustrious military career where he was awarded the Presidential Unit Citation, three Afghanistan Campaign medals, an Iraq Campaign Medal, and three Sea Service Deployment ribbons.

As we look at the incredibly rich military history of our country we realize that this history is comprised of men, just like Staff Sergeant Cardin, who bravely fought for the ideals of freedom and democracy. Each story is unique and humbling for those of us who, far from the dangers they have faced, live our lives in relative comfort and ease. The day the Cardin family learned of their son and brother's death was probably the hardest day they have ever faced and our thoughts, prayers and deepest gratitude for Staff Sergeant Cardin's sacrifice go out to them. There are no words or actions that can ease their grief. What words we can offer only begin to convey our deep respect and highest appreciation for the sacrifice Staff Sergeant Cardin made for our great nation. His sacrifice is forever etched in the history of freedom triumphing over oppression.

Staff Sergeant Cardin's family has given a part of themselves in the loss of their loved one and we hope they know that the good-

ness he brought to this world and the sacrifice he has made will never be forgotten.

RECOGNIZING FIESTA'S 125TH ANNIVERSARY

**HON. LAMAR SMITH**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. SMITH of Texas. Mr. Speaker, today, I want to recognize the more than 75,000 individuals who donate their time and talents to organizing Fiesta San Antonio. Fiesta San Antonio started in 1891 as a one-parade event, and it has evolved into one of the nation's premier festivals with an economic impact of more than \$284 million dollars for the Alamo City. The 125th anniversary of Fiesta will take place this year in a 10-day celebration from April 14 through 24; the festival commemorates the Battles of the Alamo and San Jacinto and the birth of multiethnic heritage of the Alamo City. The area non-profit organizations that stage more than 100 Fiesta events held throughout the city include churches, schools, arts groups, health organizations, athletic associations, and many others; local units of the United States Army, Navy, Air Force, and Marines offer their support to many of these gatherings while also presenting events of their own.

Fiesta San Antonio has become a popular attraction for visitors from far and wide, and more than three million party-goers enjoy Fiesta San Antonio from across the state, nation and world each year. Fiesta is the Party With A Purpose as the funds raised by official Fiesta events provide services to San Antonio citizens throughout the year. An undertaking of this magnitude depends on the efforts of many volunteers. Deserving of special recognition are the officers and staff of the Fiesta San An-

tonio Commission, including president Vonzetta Hickman, president-elect Erwin DeLuna, senior vice president Bill Mitchell, vice president Byron LeFlore, Jr., vice president Virginia Van Cleave, treasurer Marcie Ince, secretary Joe Ramirez, presidential appointee Marsha Hendler, immediate past president Fernando Reyes, and executive director Amy Shaw.

AHMADIYYA-INDONESIA

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. POE of Texas. Mr. Speaker, the men and women of the Ahmadiyya Muslim community are peaceful followers of Islam. Ahmadiis around the world work tirelessly to counter violent extremist propaganda and defend their religion against terrorists. But for years they have suffered systematic oppression, ruthless attacks, and false imprisonment.

Since 2008, the Ahmadiyya community has been the subject of deadly attacks from militant Islamists in Indonesia simply because they have different beliefs. Following a Presidential decree ordering the Ahmadiyya community to "stop spreading interpretations and activities that deviate from the principal teachings of Islam," Ahmadiis in Indonesia have faced escalating threats of violence.

In the most recent attack on Bangka Island, top elected officials told the Ahmadiyya community that they must convert to Sunni Islam or be forcibly removed from the island. This campaign of intolerance was compounded by letters warning that Bangka residents "won't want to be held accountable if ugly things happen" should the Ahmadiyya refuse to leave. The government followed through on these expulsions and on February 5th eleven Ahmadiis were forced to leave their families and homes. Nine other victims remained behind and are currently living at the Ahmadiyya Secretariat Office, unable to return to their homes out of fear.

The rights of all Indonesian citizens, regardless of their religious beliefs, should be protected. The right to worship is not a right granted by man but by our Creator. And that's just the way it is.

IN HONOR OF THE HOUSING AUTHORITY OF THE COUNTY OF MONTEREY

**HON. SAM FARR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. FARR. Mr. Speaker, I rise today in honor of the Housing Authority of the County of Monterey's celebration of 75 years of service in the 20th Congressional District of California. I have long argued that the biggest issue facing the economic future of my Central California region is affordable workforce housing. The Housing Authority of the County of Monterey was created on March 17, 1941. Its original purpose was to provide low-income rentals in the County of Monterey as an independent public agency. However, in the last 75 years, the Housing Authority has gone well beyond its original design.

The Housing Authority has proven to be an invaluable asset in times of both war and peace. At the close of World War II, the Housing Authority's performance was exemplary in locating emergency housing for returning veterans and their families and they have continued to show this support for Monterey County for over seven decades. Throughout the years, the Housing Authority has expanded its

programs to include low-income rental apartments, low-income Housing Choice Voucher rental assistance to the private market, and development of affordable housing in concert with related non-profits. In addition, the Housing Authority provides property management services and tax-exempt bond financing for housing construction to its related non-profits.

The Housing Authority is contributing to the reduction of homelessness in the County of Monterey through its collaboration with other local non-profits and governmental jurisdictions. The Housing Authority has provided transitional and permanent supportive housing to local residents who have found themselves homeless.

The Housing Authority provides permanent and migrant housing for low-income farmworkers who support the agricultural economy of the County of Monterey. The Housing Authority also provides housing for low-income persons with disabilities and senior citizens. As the population of seniors and the disabled grow in the County, the Housing Authority has risen to the challenge of housing these populations of citizens.

Finally, the cost of rental housing has grown substantially in the last years, the need for affordable housing has also burgeoned. In partnership with its affiliated nonprofit development corporation, the Housing Authority has rehabilitated its housing units to insure that they remain an affordable housing option for generations to come. The Housing Development Corporation has assisted other housing authorities in the redevelopment of their obsolete housing units and has led the way in reuse of property.

Mr. Speaker, I know that I speak for the whole House in recognizing the achievements of the Housing Authority of the County of Monterey. The Housing Authority has made endless contributions to Monterey County for the services it has provided for the residents of the 20th Congressional District of California.

#### HONORING MARK VAN TINE

### HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. GRAVES of Missouri. Mr. Speaker, I rise today to recognize Mark Van Tine, Vice President of Digital Aviation for The Boeing Company and Chief Executive Officer of Jeppesen, who is retiring after 35 years with the company. Mr. Van Tine is a true champion of the aviation industry and an inspiration to young people considering an aviation career.

Since 1981, Mr. Van Tine has held numerous positions at Jeppesen, including serving as its Chief Information Officer, before being named CEO in 2002. In 2012, he added responsibilities as the leader of Boeing's new Digital Aviation organization. In recent years, Mr. Van Tine took on the tremendous challenge of overseeing Jeppesen's digital transformation, moving the entire global aviation industry to electronic charts. This process reduced from 2.5 billion sheets of navigational paper for the worldwide aviation and maritime industries annually to around 475 million sheets annually today. He leads more than 3,800 employees at Jeppesen, headquartered in Englewood, Colorado, who serve four key customer markets—general, business, military, and commercial aviation—of which there are more than 100,000 customers. In his role with The Boeing Company, Mr. Van Tine oversees more than 4,400 employees in developing and delivering cutting-edge information solutions.

Mr. Van Tine is also an active contributor to the general aviation community. He sits on the boards of the General Aviation Manufacturers Association (GAMA) and the Experimental Aircraft Association (EAA). In 2009 he served as GAMA's Chairman and has since chaired the association's Security Issues Committee for five years. In this capacity, he skillfully testified before the House Homeland Security Committee's Transportation Security Subcommittee in 2011, offering the general aviation industry's perspectives on reauthorization of the Transportation Security Administration.

His greatest passion, however, is instilling a love of aviation in young people and encour-

aging them to become the next generation of aviation leaders. A naturally gifted mentor, Mr. Van Tine devised a Science, Technology, Engineering, and Math (STEM) competition for high schoolers with an annual prize being a two-week build of a Glasair Sportsman airplane. This June marks the third year Mr. Van Tine will join students to assemble an aircraft in the GAMA/Build A Plane Aviation Design Challenge. He also chairs the Jeppesen Aviation Foundation, which honors the legacy of Captain Elrey B. Jeppesen by supporting educational institutions, organizations, and students in the aviation community. In addition, he helps to teach character, leadership, and life skills to urban youth as a Board member with Colorado UPLIFT, a non-profit youth service organization.

I congratulate Mark Van Tine on his many accomplishments and years of outstanding service to the aviation community on this milestone occasion. He is truly an asset to the people of Colorado and to those millions of passengers around the globe who are safe in the skies and at sea each year through the use of his navigation services.

#### CONDEMNING THE 22-YEAR SENTENCE ISSUED AGAINST NADIYA SAVCHENKO

### HON. SANDER M. LEVIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. LEVIN. Mr. Speaker, I condemn the verdict and 22-year sentence issued today against Nadiya Savchenko by Russian authorities. The verdict shows disregard for the rule of law and is completely unjust. I once again call on Russian authorities to release her immediately.

Throughout Savchenko's detention and trial, I have been deeply troubled by the serious violations in due process. Since her capture and imprisonment in July 2014 on trumped-up charges, her trial and hearing dates were repeatedly delayed, and her trial venue were moved to a remote region in Russia, difficult for observers to reach. Savchenko also endured interrogations, solitary confinement, and forced psychiatric evaluations.

Since her capture, Savchenko has come to represent the spirit of an independent Ukraine, free from interference and eager to embrace the will of its own people. I join the people of Ukraine in expressing my deep concern for her well being, and in protesting her verdict and sentence.

I continue to call on Russian authorities to release Nadiya Savchenko immediately.

The bill would require the State Department and other federal agencies to develop a plan that boosts the ability of U.S. allies to block international travel of terrorists and foreign fighters and to accelerate the transfer to partner nations of certain U.S. systems that help identify terrorists and other high-risk individuals. It also would establish minimum international border security standards and allows the suspension of U.S. foreign aid to nations that fail to make significant efforts to comply with those minimum standards.

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. JACKSON LEE. Mr. Speaker, I rise to remember the innocent victims who lost their lives, and those who were seriously injured,

this morning in the barbaric attacks perpetrated by terrorists in Brussels, Belgium.

Our hearts and prayers are with the families and loved ones of the victims and our thanks and appreciation go to the first responders who selflessly came to the aid of their fellow members of the human family.

Brussels will emerge from today's attacks stronger than ever and more firmly committed to the values and principles that have made it so great.

And as Brussels recovers and responds, I hope its people take comfort in the certain knowledge that the people of the United States stand in solidarity with them.

Today's attacks are a reminder of the common danger the free, democratic, and peace loving nations of the world face from those who reject the norms of civilized society and abuse the liberties and freedoms afforded them by free societies.

Those responsible for today's crime against humanity should make no mistake; they will be held to account in this life and the next.

But today our thoughts and prayers are with the people of Brussels, which represents everything terrorists despise: a symbol of the modern world where persons of differing faiths, creeds, races, and cultures live together in peace, harmony, and freedom.

That symbol is recognizable to Americans because it also represents the American heart and spirit.

The terrorist attacks in Brussels were horrific acts on innocent civilians perpetrated by depraved individuals who misuse the peaceful religion of Islam for their own misguided purposes.

Their horrible and heinous acts are their responsibility, and theirs alone, and for which they can be assured that they alone will be held accountable.

But that will come another day; today I ask a moment of silence for the victims killed and injured in the terrorist attacks in Brussels.

HONORING PAUL SPITLER

**HON. MIKE THOMPSON**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. THOMPSON of California. Mr. Speaker, I, along with Representative GARAMENDI and Representative HUFFMAN, rise to recognize and honor Paul Spitzer for his great contribution to the designation of the Berryessa Snow Mountain Monument by President Barack Obama on July 10, 2015.

This outstanding accomplishment was made possible by the tireless work of countless advocates like Mr. Spitzer. Their commitment to engaging friends, colleagues, local residents, businesses, stakeholders across the country, and policymakers in a coordinated effort to achieve permanent protection was critical to the establishment of the Monument.

Now, the Berryessa Snow Mountain Monument may be counted among the hundreds of pristine parks across the country that represent America's most treasured public resources. The region's unique geological formations will play host for the world's scientists for years to come. Centuries-old archeological sites will draw curious historians and researchers as they piece together the stories of generations past. And avid bikers, hikers, campers, horsemen, and sportsmen will be able to

enjoy this landmark that is now forever open and accessible to outdoor enthusiasts from Northern California and beyond.

The Berryessa Snow Mountain Monument serves as proof of the value of the Antiquities Act and the power of the Executive to protect these lands in the face of inaction by Congress. After extensive input from interested

parties and substantial evidence of this region's value, the Obama Administration honored the support of stakeholders, and the gravity of conservation.

The legacy of public lands is one of the most important we can leave for future generations. The Berryessa Snow Mountain Monument is a critical piece of a preservation

system that stretches from the Hawaiian Islands to the Maine Coast. It has been a privilege working with Mr. Spitzer to further our mutual goal of preserving our nation's great open spaces, and we look forward to collaborating in the future.
